

The Orange Foundation

*A Community Trust Fund for Orange
Established in 1976*

Dear Orange Resident,

The Orange Foundation was established on November 24, 1976. Over the years, thanks to our marvelous contributors, the Fund has grown to over \$1,000,000.

The Orange Foundation has distributed over \$346,500 to scholarship and grant recipients since its inception in 1976. The Foundation has awarded \$284,343 to Orange residents at the undergraduate or graduate level. Ten scholarships with a variety of criteria are available from the Fund. The Distribution Committee, in its consideration of awards, focuses on service to the community, scholastic record, and the students' financial need.

Since the establishment of grant funding, over \$62,210 has been awarded to various civic and community organizations in Town, which have in turn supported and created numerous community endeavors.

Your contribution, no matter what amount, will be added to the Fund's principal and its income will be awarded each year to deserving student and community organizations within the Town of Orange. Bequests are a great way to perpetuate the memory of those dear to you and the community.

Thank you for your support in the past and we look forward to working with you, the Town, and its students to the betterment of our wonderful community.

If you have any questions after reviewing our report, please contact me at 795-3716, or any other Distribution Committee member.
