

The Orange Foundation

A Community Trust Fund for Orange

SCHOLARSHIP PROGRAM

HISTORY

The Orange Foundation was established in 1976 for the purpose of raising money to provide funds for scholarship awards and grants for projects, which are not supported by other funding. In essence, the Fund is designated for scholarships or projects to be used to benefit the Town of Orange or Orange residents or recipients designated by the donor.

SCHOLARSHIP GUIDELINES

Scholarship recipients are selected by the Distribution Committee in May of each year. Scholarship funds must be returned to the Orange Foundation if the student does not attend college the year the award was made. The applicant must answer all application questions or be disqualified from being considered for a scholarship award. The currently established scholarships and their criteria are as follows:
